

BUSH FIRE SERVICE WA NUMBER PLATES. INFORMATION FOR PROSPECTIVE APPLICANTS.

BACK GROUND.

In 2006 the Association of Volunteer Bushfire Brigades of WA (AVBFB) created the Bush Fire Service of WA number plate as a service for its members. The purpose of the plates is to increase the recognition of the BFS, and to raise funds for the AVBFB's Benevolent Fund. The Benevolent Fund supports the families of the BFS in cases of family emergency situations caused by a member being injured at an incident. An indicative picture of the plate design is given below. Please note that a maximum of three digits is permitted by the Department of Planning and Infrastructure (DPI).

A set of two plates currently cost \$190.00. Costs depend on charges set by the DPI.
